[Take Care Of The Paperwork - Soundtrack Crack And Patch](#)

So, the taxpayer funded FM has decided that there'll be no soundtrack for Australia Day. Let's face it, that's usually full of hipsters or kids making music on a Mac.

At Triple M, we're going to give you what you've asked for. The perfect Australia Day soundtrack.

We want "Triple M's Ozzezt 100" to include all the songs that define Australian music. That's why we need your help to build it!

Tell us about your favourite Aussie songs. We don't care about a Top 40 chart position, who wrote it, or even awards, it's just got to be Aussie.

Simply tell us the title and artist of your top 3 by clicking the big orange button below. Don't delay, requests close December 31st.

The Triple M Team

"Triple M's Ozzezt 100" built by the Triple M Club. Australia wide, Australia Day 2018.
